

Welcome to Umeå Wrestling Battle 2024

Important information to all clubs and team leaders

Reading this letter will answer a lot of questions and help to avoid trouble and prevent delays so please read it carefully.

The tournament will begin 30 minutes earlier than scheduled on Sunday owing to the large number of participants. *The starting time on Sunday is 08.30.*

1. Please return weigh-in cards to the secretariat in case you have registered wrestlers who will not participate. Make a big cross over the weigh-in card before returning it.
2. Finnish teams that have weighed-in on the ferry, please make sure all your wrestlers pass the medical check upon arrival to Umeå or they will not be able to compete!
3. Check that the information printed on the weigh-in card is correct and if not, let us know.
4. Male wrestlers who are doing both Greco and Freestyle need two weigh-in cards, one for each category. Both cards need to be returned during weigh-in.
5. We urge all clubs to check the TR database (use the link below or scan the QR-code) on Friday evening at approximately 21:15 to ensure that your Greco wrestlers are listed in the correct weight class and category. Brackets will not be available until later.

For Freestyle and Women, please check the database (use link below or scan QR-code) at 17:15 on Saturday to ensure that your Women and Freestyle wrestlers are listed in the correct weight class and category.

#Results in the internet

Please contact us if you find mistakes by sending an e-mail or text to

umeawrestlingbattle@gmail.com or to +46-702130728. **Ultimately, wrestlers that have been accidentally placed in the wrong category or weight might end up without matches if you don't bring this to our attention.**

6. All GR 9, WW 9, GR 11 and WW 11 classes will be wrestled as "round-robin" (each wrestler wrestles every other wrestler in the weight class). Also, in WW 9 and GR 9 and WW 11 and GR 11 each par-terre technique is allowed only once in a row.
7. Weights with just two wrestlers will be wrestled as "first to two wins" against the same opponent.
8. Regretfully, there will be no matches for 5-6 place this year – this is a way to accommodate more wrestlers and to save time.
9. Given the large number of participants, wrestlers of all ages (9, 11, 14, 17, seniors) have to be ready to wrestle right from the morning on each wrestling day.

Program

Friday, October 11	Weigh-in and medical check for all categories at Umeå Energi Arena Team Duals
